

IN THE DRAWINGS

Please enter the attached replacement sheet.

REMARKS

Applicant provided a substitute drawing page on April 14, 2005, however, this page did not include the term "REPLACEMENT SHEET". As such, in an abundance of caution Applicant is hereby providing a second replacement sheet with the term REPLACEMENT SHEET in the margin.

The Applicant hereby presents Fig. 3 which expressly shows the thermal detector 21 and the nine volt battery 31 with different reference numbers.

Respectfully submitted,

Dorian B. Kennedy  
Reg. No. 36,840
